Brief Happenings From Various Sections of State.

THE MOST IMPORTANT EVENTS

Transpiring in "The Land of Flowers."

Things "Boiled Down" to Suit the Busy Reader—Items of Interest to All Classes.

The Tampa City Directory sells for \$5 a copy.

A lodge of Boys of Woodcraft will be organized at St. Augustine.

And now Ocala has fallen in line and will no doubt have a Beaver Dam.

The White Springs Herald is making an effort to stop gambling in that place.

Six negro gamblers were arrested in Bradentown and fined \$5 and costs each.

The Winter Park ball team is to have new uniforms for the summer campaign.

J. A. Johnson's ten-acre field of cotton at Dunnellon is said to be the finest in that section.

J. S. Perkins' shingle mill at Jennings has been destroyed by fire for the second time this season.

Former deputy clerk of the circuit court, B. H. Burton of Pensacola, is said to be \$4,531 short in his accounts.

Capt. R. W. Hudson of Orlando had one of his legs badly injured in the machinery of the peat factory a few days ago.

Governor Broward and wife will spend the summer vacation at Fort George, near Jacksonville, their summer home.

Elkville, formerly Middleton, on the East Coast Railway, will be the name of that settlement in the future. It ought to be named Potatoville.

The Benner New York line of freight vessels to Miami will be one of the biggest things that ever happened. It will be a great boon to business men.

A Tampa negro tried to snatch a lady's purse from her hand, but it contained the coin for her new hat and she hung to it like grim death to a "nigger."

Ed Meadows of Orlando had trouble with a black man named "Uole Aleck," the latter cutting a bad wound on Meadows' head and then absconding.

The decision of the Supreme Court making slot machines gambling devices, made the Ybor City officers get busy, and 27 of them were captured by the officers.

Charles H. Laney has been elected recorder of Pensacola under the new charter, and in future he will preside at the recorder's court, relieving the mayor of holding municipal court.

The Bradentown Herald is justly indignant because the newspapers of that city have to pay an occupation tax of \$5. It would seem that Bradentown should have a missionary sent there.

It is reported at Perry that the South Georgia & West Coast Railway has been sold to the Georgia Southern & Florida Railway. The S. G. & W. C. runs from Adel, Ga., to Sirmans, this State.

The White Springs Herald has been leased from The Herald Company by Joseph N. Smith, who will be editor and manager, with Edward L. Smith as associate editor. Both will put forth an extra effort to improve this upstart weekly.

The murder of Oscar Brannan at Plant City has stirred up considerable excitement in Hillsborough county. Several prominent men in that community are under suspicion. Judge Wall has sent Detective Dewey to the scene and Sheriff Jackson has guaranteed a reward of \$150 for the arrest of each of the assassins and \$50 additional for the arrest of any persons implicated in the crime.

Dying of Famine

Is, in its torments, like dying of consumption. The progress of consumption, from the beginning to the very end, is a long torture, both to victim and friends. "When I had consumption in its first stage," writes Wm. Myers of Ocala, Md., "after trying different medicines and a good doctor, in vain, I at last took Dr. King's New Discovery, which quickly and perfectly cured me." Prompt relief and sure cure for coughs, colds, sore throat, bronchitis, etc. Positively prevents pneumonia. Guaranteed at all drug stores. Price 50c and \$1 a bottle. Trial bottle free.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a *Home of Swamp-Root* pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Stimulation Without Irritation.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or gripe and is mild and pleasant to take. J. W. McCollum & Company.
